“ And the king of Egypt said unto them, Wherefore do ye, Moses and Aaron, let the people from their works? get you unto your burdens. “ (Exodus 5:4)

Greetings from Greater Grace Church of Ashaiman, Ghana.

In Exodus 5:4 King Pharaoh said to the Jews, ***“go back to your burdens”***. Today in this wicked world we are living in, many Christians don't know how to handle burdens, and as a result they withdraw in their emotions being overwhelmed. Our life is filled with burdens.

The idea that the burdens can be heavier than what we can carry is false (1Cor 10:13). ***“No temptation is overtaken you except that which is common to men”***. Problems are the provision to get to know God, not to get away from Him. God is not trying to break us but to make us. It is not what He is doing, but it is what He is doing for you. Gain is always through some kind of pain. The heavier the cross is, the brighter the crown will be.

Quit is not the vocabulary of GRACE. For real men and women of God, the problem turns into provision to victory of faith. It is not what lies ahead or behind us, it is what lies inside us that counts. The price of success is often through failure. As we think of rejected and mistreated people, let us remember that God is never out to hurt or break us, but to make us. He doesn't want to hurt you but to bless you, for He is not against you, but for you.

God allows things to happen to you for He trusts you. When He allows you to go through it, He is the provision for you, so that later on in life you would become provision for others.

Please pray with us so that God would miraculously bless someone financially to help us roof the West African Training Center this year. Also pray for open doors and finances to plant a new church in the eastern regional capital town called Koforidua, Ghana.

Thank you and you are deeply loved.
